Clerk of the Court
UNITED STATES DISTRICT COURT
WESTERN DIVISION OF OHIO
U.S. COURTHOUSE
JAMES M ASHLEY AND THOMAS W. ASHLEY
1716 Spielbushch Avenue
Toledo, Ohio 43604

Dear Sir:

These questions prior to filing my case:

- 1) No where do I see as to jury instructions that he jury shall be given their rights as jurors.
- 2) Under Banners: Is the Court running under Constitutional Law or Color of Law? What flags are you flying in your courtrooms? See Executive Order DDE 10834 as it relates to lawful flags and who can fly what flag. Constitutional flags in any courtroom should be 1) Standard American Flag 2) a U.S. Flag of Peace and 3) a Standard, non-gold fringed Ohio Flag.
- 3) 16th American Jurist Prudence Section 177 I suggest you read it. Any court that allows the practice of unconstitutional law is guilty of Treason. Do you consider it appropriate to have the judge arrested should this gold fringed flag(s) be flying inside his courtroom?
- 4) I have heard that the courts require a FORM to enter motions before the court. Show me the Constitutionality of such forms. What about the filing of a case?
- 5) I have heard that no pro se is to win a case in any court - discrimination. Confirm or deny it.
- 6) explain "inn of court" as it would appear the judges and attorneys have conflict of interest in every case.
- 7) Are you running a CUSIP, Bond and Commodities Fraud?
- 8) Is this court a pseudo Corporate Court?
- 9) Is the judge a Corporation traded on D&B/Wall Street?
- 10) Is the Court House a Corporation? The Courtroom?
- 11) Why are not all Court Costs paid from the Cesta Que Trust? All lawful money taken away from us at the 1933 Bankruptcy Act; executive order FDR 6102- Treason.

- 12) Is not this nation now running a de facto government the result of President Roosevelt's actions and legislative Acts of Congress, Farm Bill, al et al? Voter Fraud?
- 13) Does this nation not have a shadow government the result of the Bankruptcy Act whereas all Offices, Agencies, Departments were turned over to the Receivers of the Bankruptcy and all laws and statutes turned over to International Law and Copy written? IE the United Nations?
- 14) How much money was forgiven the United States under the, now 3, Bankruptcy Acts? Was not the Bankruptcy Act written to protect those to whom this nation was in debt? Why not file in Bankruptcy Court as most Corporations do? 26 U.S.C at 3002 Definitions 15) The United States Means A) a Federal Corporation. also see B)and C)=De facto.
- 15) Explain the Frauds involved in the Birth Records Scam and how this fraud scheme involves the Court System.
- 16) Man is an animal? Title 7 Chapter 6 > Subchapter II at 136. Is this so the Courts can treat us as animals? Human Trafficking?

Should I decide to file a case in this court I need to know exactly where I stand before so doing. What law are you practicing?

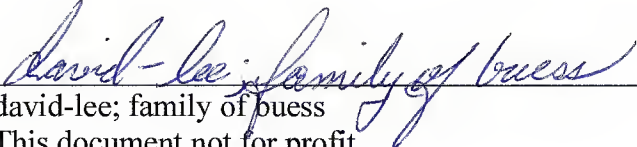

a) UCC?

b) Constitutional?

c) Color of Law?

d) Other? Explain: _____
